It can be annoying when you trek to your local bark part for a nice afternoon out, but then suddenly realize that you haven't brought any refreshments for yourself or your dog. The Accessible Basin Fido and Me Fountain is the perfect answer to this problem. Ideal for thirsty humans and canines, this Fido and Me Fountain is a drinking fountain designed in a pedestal style for easy access for people. Attached to this pedestal is a small pet fountain that has been designed at a suitable height for all shapes and sizes of dogs. The fountain is available in green as shown.
