

Swing Bars

MSRP \$1,584.00

SALE \$1,331.00

Age Group: 5 to 12 years

Footprint: 7' long x 15' wide x 7' high

Use Zone: 19' x 27'

The Swing Bars challenge the development of upper body strength. Swing Bars are excellent as a stand-alone playground fitness event or as part of a fitness course. The unit comes standard as galvanized steel and is also available with powder coat paint for an additional charge. The installed height is 8' from the required safety surfacing.
