

School Age Horizontal Ladder

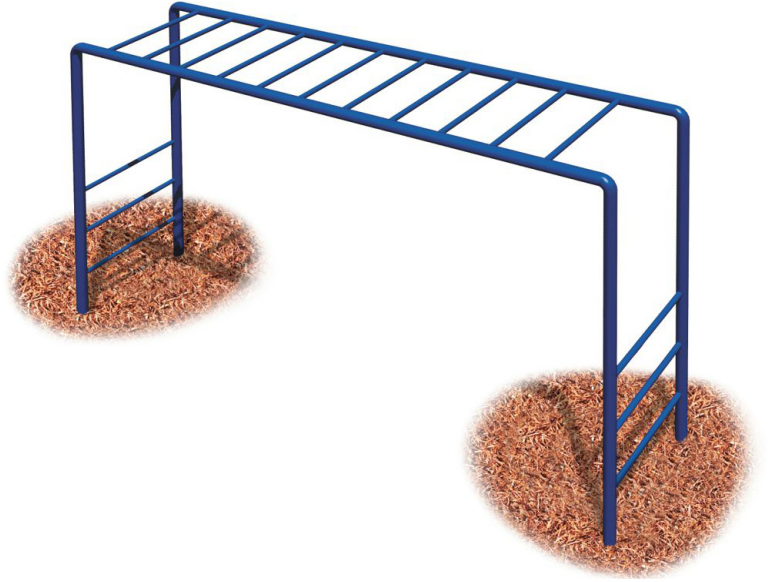

MSRP \$1,670.00

SALE \$1,420.00

Age Group: 5 to 12 years

Footprint: 12' long x 19' 1/2" wide x 6' 8" high

Use Zone: 14' x 24'

This 80" high School Age Horizontal Ladder is the perfect playground accessory to work on the development of the upper body. Designed for children ages 5-12 years old, this ladder will provide a challenge as children travel from one side to the other. Composed of powder coated steel with cast aluminum corner connectors, this ladder will be a long lasting fixture on your playground. The School Age Horizontal Ladder will have children playing while exercising.
