- Easy to grip rails on either side of the ladder

Age Group: 5 to 12 years

Footprint: 2' x 12'

Use Zone: 14' x 24'

The Super Slide 5 is a slightly taller version of the Super Slide 4 offering more play value for older children. The standard slide offers classic sliding playground activity for an affordable price. This slide has a heavy-duty, 18 inch wide polyethylene slide bedway with galvanized steel safety rails. This model comes with a 5 foot high deck. The slide is standard in yellow, but available in many colors. Any color other than yellow will extend the production lead time.
