If you are wondering what all the hype is about, check out the Bunch A Hoopla Play System for yourself. With a Right Turn Slide and a Left Turn Slide on opposite sides, children will surely be talking about this playground. The climbers add another dimension to the fun with a Spiral Climber guiding children up to one of the two 5-foot decks. An alternate route is the Pod Climber by the side of the Left Turn Slide. The Sea Creature Climber offers an easier climb up to the 4-foot slide for a quick slide down the right turn slide. Whether children are above on the Bones Bridge or below at the Single Drum or Bongos making up a new beat, they're sure to be having fun. Make sure to take a look at our custom color options to choose the look that best suits your playground.
