Penny's Pinnacle Point Play System is the pinnacle of entertainment. A humble package overflowing with possibilities. This unit keeps kids, young and old, engaged with a various assortment of activities. Designed for kindergartners and elementary schoolers to get the most out of this structure. The activities range in skill level. The Ship's Wheel is fun without leaving the ground, two slides that stand at different heights and a horizontal ladder with rings bridging outwards. Younger and more cautious players will find comfort when playing on the Ship's Wheel that hangs tethered close to the ground. The bolder will journey up the unit and pick the smaller Straight Slide or its taller brother for an intense ride. For the hanging fans, the 90 Degree Overhead Swinging Ring Ladder has them covered. Provide a fun utopia for children with the Penny's Pinnacle Point Play System.
