**Use Zone:** 34' 7" x 46' 1"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

Get children ready for the next Olympics with the Athlete in the Making play structure. Older kids will get a great workout trying to best this obstacle course. It is riddled with fun and strenuous activities that are perfect for getting that heart rate racing. Children's climbing skills will be put to the test when trying to surmount these tough activities. The Chain Climbing Wall, the Maze Rung Vertical Ladder, two Curved Panel Climbers and Rocker Bar Overhead Climber are sure to build arm strength and grip. When a break is needed, the Frog Step, Standing Orbital Spinner and Saddle Slide are less taxing but still fun to try out. Lastly, the Rotating Tunnel Climber and Pebble Climber connect the equipment together and provide a varied experience while advancing through the Athlete in the Making play structure. Kids being healthy and happy is this unit's goal.
