

Team Bench

Price \$1,005.00

Highlights:

- Multiple colors available
- Comfortable seat with back
- Four different mounts to choose from
- Perforated for a cooler seat during game time

The Team Bench is perfect for providing a large amount of seating anywhere, with a range of customization options so that you can create the perfect bench to suit your needs. It can be ordered with a back to provide excellent long-term comfort, or without a back to significantly reduce the price and weight. It is also available in ten and fifteen foot long models, so you can make room for the whole team. The extremely sturdy metal which make up the frame of the chair are made from quality commercial grade steel with a rust-proof finish. The seat and back have a weatherproof thermoplastic coating which comes in your choice of six colors. With four different mounting options, the bench can be installed just about anywhere you need it. Options include in-ground mounting, surface mounting, wall mounting, or mounting and even a portable stand.
