Give dog owners a comfy place to relax while their pups are at play with the Puppy Bench. This bench matches the design of all of our other dog park and agility course products, making it a great addition to any dog area. It even has a charming message and pictures of dogs laser cut into it, strongly emphasizing the theme of the area in a way that dog lovers will appreciate. Having a convenient bench available to them encourages owners to stay longer, giving their dogs more time to enjoy themselves. In addition to the adorable dogs and message, the bench is also portable so that it can be moved as needed. The bench comes in a variety of color options that range from rich and vibrant to subtle. No matter the color choice, it will complete the look of any dog park. Talk to a sales representative for more information.
