Age Group: 2 to 5 years

Use Zone: 17' 3" x 15' 10"

The 2+2 Swinger is essentially a compact teeter totter. A child sits on each side of the equipment and leans back and forth to initiate motion. This item promotes balance and agility in growing children. What makes the 2+2 Swinger unique from a traditional teeter-totter is that it features a foot plate, whereas a teeter-totter would only have foot pegs. With four handles and two backrests, children can bounce to their heart's content without worry of falling off. It grants children an additional level of safety while allowing parents peace of mind. The 2+2 Swinger only comes in the colors shown with no option for customization.
