Turn your kids' play into performance with the Drama Deck with Roof and Ramp. Crafted from 100% recycled structural plastic, this elevated stage with ramp and pavilion-style roof creates the perfect artistic focal point for any outdoor activity space. And thanks to its alfresco design, kids can put on their version of Shakespeare's "The Tempest," even in tempestuous weather. Because the Drama Deck is ADA accessible, it makes an ideal entertainment area for performers of every age and ability level. Plus, it pairs perfectly with outdoor musical accessories, like our Bongos and Drums, and comes easy-to-assemble. Your amateur directors will be thrilled.
