Sandcastles should be for everyone! Make your sandbox accessible to children of all ages and abilities with this ADA Transfer Station with Handles. This piece converts our Recycled Structural Plastic Sandboxes into ADA-friendly play spaces that foster imagination and creative problem solving and encourage collaboration. Our 100% Recycled Structural Plastic Sandbox is both vandal-resistant and graffiti-resistant, and it comes with a 10-year warranty. Plus, our coordinating snap-on fabric cover, sold separately, keeps your sandbox safe from animal activity and unwanted debris. The Sandbox is 12 inches high, is available in five sizes, and includes a six-inch wide seating ledge with curved corners that double as seating.
