Encourage children to create a work of color and invention, and display it for all their friends, with the Single Art Mural. The reusable art mural with wipeable surface takes art class outside and into nature and allows children ages two to five and older to explore their creativity collaboratively. It measures 48" x 12" x 56" and is ADA accessible, making artistic expression come to life for children of all ability levels. Available in metal and wood materials, depending on your playground needs, the Single Art Mural elevates your green space, making it a studio for collaborative and interactive play. Inspired artwork not included!
