Children will create beautiful works of art, and display them for friends and caregivers, with the Double Art Mural. Our delightful reusable art mural features a wipeable surface and transports art class -- or even phonics, math, or any other chalkboard-based lesson plan -- outside and into nature. Thanks to the Double Art Mural, kids ages two to five and older can explore their creativity collaboratively. The Double Art Mural measures 93" x 12" x 56" and is ADA accessible, making artistic expression available to kids of all ability levels. It fits between two to eight kids comfortable and can be ordered in either wood or metal, depending on your needs. The Double Art Mural transforms your outdoor space and creates a studio for collaborative creativity.
