Show off your impressive display of books in the school classroom or library with our Four-Shelf Book Display. The four-inch deep shelf is a beautiful display unit for showing off larger books and picture books with big pictures and lots of detail. Constructed from 11-ply birch with durable UV finish, the shelf is easy to clean and will encourage the love of reading among children in preschool and elementary school. This bookshelf is more dynamic than traditional shelves because the titles and covers jump out at kids, inviting them to crack open a book and enjoy the stories within. This bookshelf guarantees satisfaction and requires no assembly, so you can start introducing children to engaging reads immediately! Pair it with our Round Floor Cushions to create a complete reading nook!
