Create a space for reflection—literally and figuratively—with the Mirror Chimes. Draw in an enthralled audience of music lovers, young and old, with the timeless, light-catching, inclusive set of tonal chimes arranged in graduated lengths. This elegant set is crafted in a modern style, with highly-polished stainless steel and notes arranged in the Pentatonic C-Major Scale (C4-C6), so that no matter how they're played, there are no "wrong notes." Novice and seasoned musicians alike will thrill at the chance to discover their musical abilities and compose ethereal melodies. Install the chimes on virtually any surface thanks to the universal mounting bracket, and transform a mossy garden courtyard into a space bursting with romantic, airy melodies. Situate them so that they reflect the most beautiful parts of your outdoor scenery—like garden beds or trailing ivy—and multiply magnificent views. Guests of all musical persuasions will be enchanted and intrigued in equal measure.
