Younger children are welcomed with open arms by the 4-Foot Right Turn Free Standing Slide. Its approachable design is perfect for kids who want the fun of a slide but are intimidated by larger models. The same thrills can be found even in this humble package. Because of its size, finding a spot for installation is a breeze. Its galvanized steel handrails and stairs keep feet firmly planted with their slip reducing design while moving along traffic. The hard plastic slide will be the catalyst for many cherished memories. Riding a raft through a raging river or trying to escape a dragon, this slide's potential is revealed in imaginative play. The 4-Foot Right Turn Free Standing Slide comes in several custom colors that will accentuate any place it resides. At the end of the day, this simple slide will keep children smiling from ear to ear.
