A playground is a place for kids to get active and express themselves through physical activity and the Wavy Horizontal Scaling Ladder is the best way for kids to accomplish that! Children will be able to develop their upper body strength as they swing from bar to bar! The Wavy Horizontal Scaling Ladder is made from durable galvanized steel, and this material will prove its worth as you watch it stay durable and strong through multiple seasons and all matters of weather. The wavy design of this overhead ladder produces a little bit of a challenge which kids of all ages will appreciate since challenges are the only way we grow!
