Every dog owner loves their furry little friend. Whether they're running around acting silly, playing fetch, or simply laying about, there's no shortage of photo opportunities for dog owners with a steady camera hand. With the BarkPark Pug Shot, dog owners are able to more easily find opportunities to snap a picture of their canine friend. The Pug Shot is an ingenious way to make your pup the center of attention as they look through the giant picture frame and into the camera. With #BadtotheBone emblazoned on the front, there will be no doubt in anyone's mind that your canine friend is not one to be trifled with. Cats beware: there's a new sheriff in town.
