

Quad Climber

MSRP \$2,229.00

SALE \$1,873.00

Age Group: 5 to 12 years

Footprint: 14' long x 14' wide x 11' 6" high

Use Zone: 26' x 26'

The Quad Climber is a tall playground climber designed for children from 5 to 12. After installation, the equipment height to top of slide pole is 11 feet 6 inches after installation of required safety surfacing. The four different climbing entrances and sliding pole allow several children to play at once. Red and blue climbing ladders with a white center pole is standard. Custom colors are available for a small fee.
