

Dog Leash Holding Post

Price \$630.00

Highlights:

- Galvanized steel increases longevity
- Provides useful space for dog owners
- Can hold leashes and other items
- Helps dog owners keep track of leashes

Dog owners love taking their hairy compatriots to the park, but carrying around their leashes isn't always ideal. That's where the Dog Leash Holding Post comes in. This handy amenity provides a natural spot for dog owners to hang leashes while their dogs joyfully leap and bound around the perimeter of the dog park. Despite its name, the Dog Leash Holding Post isn't just for leashes. Dog owners can hang other possessions on it as well, including backpacks. The post is secured directly into the ground, making it a long-lasting option for dog parks everywhere.
