Boasting 32 gallons of storage space, the Dog Park Trash Can is a great option for dog parks and areas where dogs frequent. On its side are cutouts of paws and bones, which signal to potential visitors the presence of a dog park. The slats on its sides add to its decorative appeal, and its frisbee lid is easily removable yet sturdy enough to safely contain its 32-gallon plastic liner, which is also included with the Dog Park Trash Can. This trash can comes in blue and green color options, which can help add visual flair to your dog park. Pick one up today and add a useful, visually-appealing amenity to your dog park.
