MSRP \$1,914.00

SALE \$1,276.00

Age Group: 5 to 12 years

Footprint: 4' diameter, 2' 4' high

Use Zone: 16' diameter circle

This Merry Go Round has a safe design that is appealing for home daycares and child care centers as well as schools. The standing hold bars allow easy turning by children, allowing the center ring to spin and spin. This unit also has a pre-greased shaft for years of easy turning. And it's built for safety, featuring smooth edges and surfaces, a nonslip platform, and sturdy construction from powder-coated steel that's made to withstand the rigors of active play and harsh weather conditions.

The Merry Go Round is great for strengthening muscles, developing coordination and balance, and improving social skills as children work as a team to make the unit spin. This particular unit is designed for children ages 5 to 12, and it's 4 feet in diameter, so kids can hop on with their friends.

The Merry Go Round ships fully assembled as shown, so children will not be waiting long to enjoy playing. And you can order yours in a variety of custom paint colors, with or without splatter paint. It's easy to get play equipment that's just right for your playground with AAA State of Play!
