**Price \$35,452.00**

**Age Group:** 5 to 12 years

**Footprint:** 26' x 35'

**Use Zone:** 38' x 47'

---

This modular playground unit is detailed with climbing and sliding activities for older children. This structure is offered in 2 post sizes, 3.5 inch and 5 inch diameter. The larger post is best for public parks and areas with high use. Katherine is a great design and popular in many color schemes, including as pictured with purple and silver.
